Re: Notice to Post–MAP Travel to London, United Kingdom, September 9-10, 2016

In compliance with USDA Market Access Program (MAP) Regulations, please accept this Notice to Post regarding upcoming MAP travel to London, United Kingdom. Consistent with advancing NAEGA UES objectives Katy Lee, Acting Secretariat of the International Grain Trade Coalition (IGTC) will travel to London on September 9-10, 2016.

In London, Ms. Lee will attend the International Grains Council's (IGC) Market Conditions Committee (MCC) meeting on behalf of the IGTC. The IGC's MCC is responsible for keeping market conditions and short termed prospects for grains and oilseeds under review between IGC sessions, and the meeting will feature presentations from member governments on their grain situation and policies. As a representative of the IGTC, Ms. Lee leads the IGTC's engagement with the IGC. Over the last few months, following IGC's official recognition of the IGTC in December 2015, engagement with the Council has been a key aspect of the IGTC's efforts to facilitate global dialogue on major policy issues affecting the grain trade.

While in London Ms. Lee welcomes the opportunity to meet FAS staff to discuss this mission and other concerns related to NAEGA UES.

This trip will be funded in part by our MAP allocation, under activity code M16GXWORLD. If there are any questions or concerns, please feel free to contact me via email at rolson@naega.org, or by calling 202-682-4030.

Sincerely,
