

### **NAEGA Seminars**

The NAEGA Contracts Committee conducts seminars for in-depth, interactive education on contract practices. NAEGA Seminars are divided into two different categories: first, “Privately” funded and designed for a single member company, and attended by persons invited by that member company; second, “Generally” funded by registration fees, designed to cover the interests of many companies, and attended by persons from several companies. In most cases, the Seminars provide intensive review of current developments and practices in international grain trade contracts, and often focus on the NAEGA 2. In-depth examination of regulatory compliance, as well as NAEGA services and policy concerns, can also be added content for a Seminar designed to meet your needs. Invitations for General Seminars are sent to all NAEGA member representatives, and a per person registration fee is required for attendance.

Our tentative plans for a General Seminar in Kansas City are on hold as we seek a date in near future that can be accommodated. NAEGA members interested in attending a General Seminar should contact Gary ([gcmartin@naega.org](mailto:gcmartin@naega.org)) or Sam ([sbonilla@naega.org](mailto:sbonilla@naega.org)). We have several open dates during which Seminars may be conducted. At your convenience, please let us know if you would like to discuss options for holding a Seminar.
