

U.S. Food and Agriculture Dialogue for Trade – Volunteers’ Organizational Chart

High-Level Steering Group

(Industry Leaders Invited by Implementing Team to Identify Common Interests and Practical Activities for the Dialogue)

Implementing Team

Co-chairs: Gary Martin, NAEGA; Bill Westman, NAMI

["Comprised of persons committing significant time and effort to Dialogue, the Implementing Team will act to review and clear in advance all external communication and deploy plans to provide for information and engagement when common interests are identified, including those of more targeted efforts by the Working Groups. All implementation is to be done in close coordination with the Task Forces. The Implementing Team also will assess relevant outside organizations (e.g., Chamber of Commerce, NAM, etc.) to determine whether their objectives/priorities align with Dialogue and, if so, provide for engagement with those organizations."]
