

## **U.S.-CHINA AQSIQ GRAIN & OILSEED SURVEY ITINERARY**

**Arranged by the  
U.S. Soybean Export Council  
in cooperation with the  
North American Export Grain Association  
U.S. Grains Council  
U.S. Department of Agriculture  
U.S. Wheat Associates**

**September 10-20, 2017**

**Purpose:** The Chinese government has implemented regulations to assure the safety of imported grains and oilseeds, impacting all countries and firms that export grains and oilseeds to China. In order to demonstrate the compliance of USA grain and oilseed export systems the United States Department of Agriculture in cooperation with USA industry is organizing an AQSIQ team to the USA. The team will conduct a survey of U.S. grain and oilseed production and export system demonstrating its safety and existing compliance with the Chinese government policy Decree 177
